Dear Mr. Holtkamp:

Congratulations! I am extremely pleased to inform you that South Central Recycling, Incorporated has been selected to receive the 2004 US Army Garrison – Redstone Environmental Award for Recycling. This award is presented annually in recognition of environmental stewardship.

This year, South Central Recycling, Incorporated is recognized for Excellence of Performance in the Garrison's Recycling Program. You have gone out of your way to accommodate the Garrison with special pickup requests, logistics support, and paper market consultation. The award will be publicly announced and presented at Redstone Arsenal's annual Earth Day event on Thursday, April 22, 2004 at the Path to Nature. Awards will be presented as part of the Earth Day ceremony which begins at 10:00 a.m. We hope that you and your employees will be able to join us for this event and the celebration of the collective accomplishments of our award winners. Please have the person designated to receive the award arrive by 8:30 a.m.
